# CORPORATE PROFILE VITAEL SA

### VITAEL S.A.

429, VOULIAGMENIS AVENUE, ILIOUPOLIS, 16346 TEL: +30 210 9962806, FAX: +30 210 9920886 info@vitael.gr | www.vitael.gr

# COMPANY

VITAEL S.A. was formed in 2009 with its core business focusing on the implementation of construction contracts and on Design & Construction Management.

In addition, Real Estate Development and Property Management constitute other fields of interest for the Company.

SINCE 2009

GOAL

Our goal is to coordinate our actions in order to maximize our customer, staff and stakeholder value through actions that have a positive impact on society and the environment.

# **SERVICES**

VITAEL S.A. undertakes the design, organization and turnkey delivery of new properties, infrastructures and complex developments in general, emphasizing on the provision of services to Corporate Clients and Companies that belong to both the Public and Private Sectors.

Under the current circumstances and within the framework of catering for an increasing market demand, our Company, in particular, offers services of reconstruction and fit-out works, spanning from the design to the final completion and delivery of the site.

VITAEL S.A. offers specialized services and flexible solutions for the reconstruction, renovation and alteration of buildings, offices, hotels, shops and other business properties (fitout works), by assuming the delivery of complex projects that require fast implementation.

VITAEL S.A. has successfully completed reconstruction projects that had extremely pressing timetables and high quality requirements, with well-known multinational and Greek companies as well as organizations being the end users.

VITAEL S.A, having already successfully completed similar projects, supports businesses in the process of developing environmental awareness, providing them with the necessary technical training and experience required to implement projects that meet LEED specifications.

The advantages of co-operating with VITAEL S.A. include the following:

- Implementation of complex and deadlinesensitive projects.
- O Specialized project teams consisting of architects, quantity surveyors, engineers, project managers, security specialists etc.
- O Responsibility, quality, consistency, speed, flexibility.
- O Competitive rates of implementation.
- O Provision from the phase of the design for long-term viability of projects and low maintenance costs.
- O Ensuring continual improvement through quality processes, managed by a powerful team and accomplished by a dedicated team of engineers.

# QUALITY, HEALTH & SAFETY, ENVIRONMENTAL POLICIES

VITAEL S.A. is committed to protect its clients, staff and the environment by taking appropriate proactive measures in terms of Quality, Health, Safety and the Environment.

We aim to improve our Quality, Health, Safety and Environmental Management System constantly and as a result VITAEL S.A. has been certified by an independent body for the whole of its operations according to the ISO 45001:2018, ISO 9001:2015 and ISO 14001:2015 standards.

Occupational Health and Safety Management Systems according to ISO 45001:2018

Quality Management Systems according to ISO 9001:2015

Environmental Management Systems according to ISO 14001:2015

- O We are a responsible future-focused company that demonstrates commitment to improving the environment.
- O We are compliant with the environmental legislation.
- O We assess and minimize any negative environmental impacts the company may have.
- O We possess tools and techniques to identify potential causes of accidents and improve employee awareness of risks.
- O We train our staff on health, safety and environmental issues.
- O We provide appropriate personal protective & safety equipment to our staff.
- O We reduce waste and improve efficiency, focusing on preventive measures, so wasteful problems can be avoided altogether in the future.
- O We use reporting and communications methods that ensure products and services of better quality.
- O We ensure continual improvement through quality processes.
- O We provide an improved customer experience.

# HUMAN RESOURCES

# VITAEL S.A. consists of the following teams:

- Architects
- Civil engineers
- Electrical engineers
- Mechanical engineers
- Commercial department
- Marketing department
- Legal department
- Procurement and Cost Control department
- Quality, Health and Safety department

We provide private insurance package to our staff

We provide high quality training which enables our employees to learn precise skills or knowledge, so as to improve performance

We support and constantly improve our workplace wellness in order for our staff to feel safe and creative

# **CLIENTS**

Amongst the users of real estate for which the Company has recently completed reconstruction projects are the following:

Hotels / Medical Diagnostic Centers / Embassies / Retail Stores / Banks / Insurance Companies / Shipping Companies / Advertising Firms / IT Companies / Car Dealerships / Energy Supply and Investment Companies / Telecommunication Services Providers / Department Stores / Greek and Multinational Companies / Refugee Camps / Public Institutions

# **PROJECTS**

## **EUROCLINIC ATHENS**

The project consists of the construction of the resuscitation rooms with medical gas systems, renovation of the treatment rooms in the emergency department, construction of new treatment rooms and receptions in the clinic. The project was completed following the strict deadlines and the medical protocols which must be followed in a clinic while on operation and especially in the emergency room.

**SITECORE** 

Fit out works for the refurbishment of the office spaces on the 3rd floor had to be completed impeccably while all the other floors were in operation. A project with a tight schedule which was accomplished within the exact time.

MINION

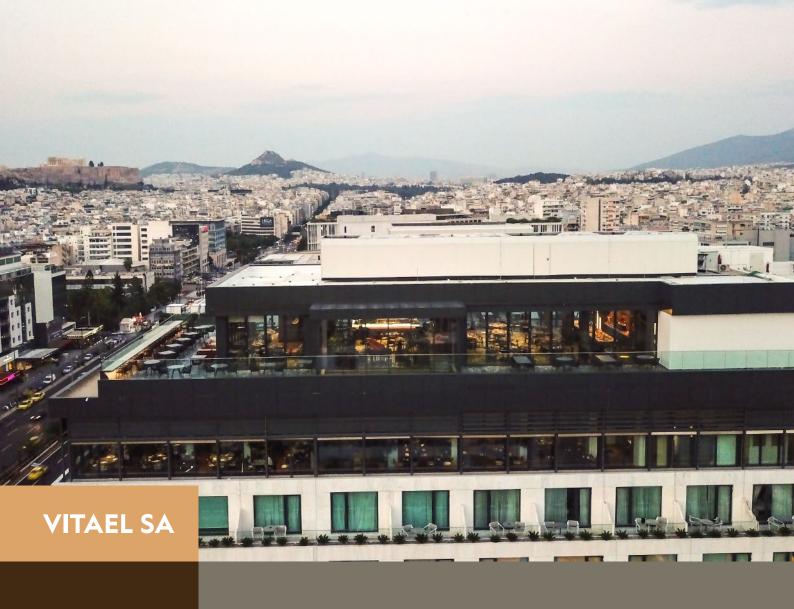

The first phase with the reconstruction and highlighting of the MINION facades has already been completed. The work of shaping, the interior spaces of the levels and the ground floor continues feverishly.

MINION

It is expected to be completed by the middle of 2024, with the aim of regenerating the restored department store of MINION as a modern 'green' building with LEED specifications at the high level of Gold Certification.

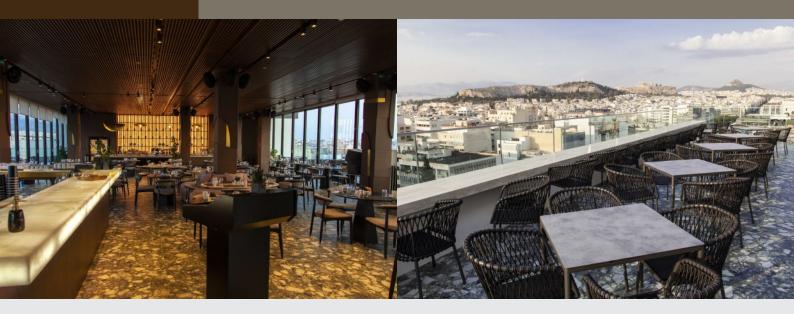

# HYATT HOTEL / HINES RESTAURANT

On the top of the original building of GRAND HYATT Hotel, on the 9th floor, is being constructed one of the most magnificent restaurants of Athens with spectacular view of 270°.

HYATT HOTEL / HINES RESTAURANT

A modern metal construction which was completed while the hotel was on operation.

# **HYATT HOTEL/HINES**

The demolition of the former cinema complex Odeon Starcity, a high-risk project with a demanding schedule, was completed successfully.

# **HYATT HOTEL/HINES**

Construction of a metal frame following strict construction regulations and a demanding schedule, part of the expansion of the Grand Hyatt Hotel. The entire project was completed successfully.

## AMERICAN COLLEGE OF GREECE

Fit out works were carried out for a sustainable, ecological educational institution with Kindergarten & Elementary School. We strove to go beyond constructing towards building a holistic environment for the future generations.

# AMERICAN COLLEGE OF GREECE

A demanding project with strict deadlines has been accomplished by our team of engineers with their persistence and professionalism always in their priorities.

**MOXY HOTEL** 

Moxy Hotel is the first "green" hotel in Athens which consists of 200+1 rooms with the luxurious suite on the green roof. For the implementation of the works and materials used in the project, the LEED based environmental certification standards were followed to achieve successfully the GOLD category goal.

**MOXY HOTEL** 

With demanding schedules, the project was completed effectively by our company, adding an air of glamor to Omonoia Square.

**DUSIT** 

We are proud of the successful complete renovation of an existing building into a 5-star hotel of the well-known Dusit chain, which is making its entry into Europe with Athens as its first stop.

2020 DUSIT

It consists of 4 floors with 36 suites, a luxurious spa and wellness area, one of the best Thai restaurants in Greece and a rooftop garden in which there is another restaurant and swimming pool with unobstructed view of the sea.

# **ERGO HELLAS**

A demanding project with a stressful schedule. Due to the existing offices, it had to be completed in sections while all the floors were in operation and parts of the ground floor were reconstructed.

**ERGO HELLAS** 

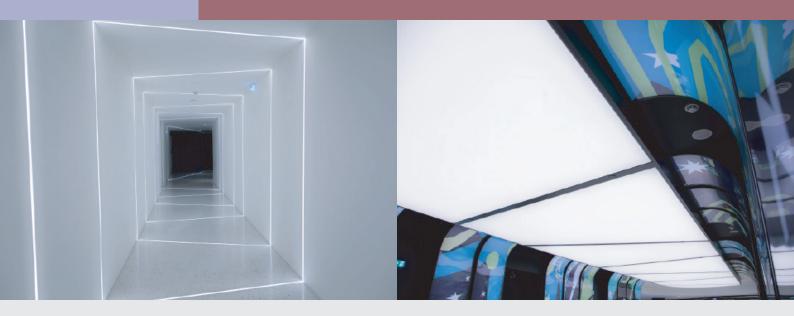

**NOVAL PROPERTY River West** 

The works were carried out in the public areas of the shopping center while in operation, with a demanding schedule and a special architecture for the connection with the expansion of the new shopping center.

NOVAL PROPERTY River West

Construction (hot shell) of an industrial style commercial store. The project was implemented at the same time with the development and completion of the central construction site, where the extension of Smart Park took place.

### **DECATHLON River West**

Interior fittings of the store, part of the building C of the expansion of the commercial center River West rent by the multinational sports goods company Decathlon.

**OTE ESTATE** 

Building constructed according to LEED specifications within a tight schedule at a very difficult location in terms of heavy traffic in downtown Athens.

VITAEL SA

2018

# OTE ESTATE

### **REGIONAL BUSINESS CENTERS**

Architectural design implementation with special requirements and coordination of the electromechanical installation within a short period of time.

## REGIONAL BUSINESS CENTERS

**LEROY MERLIN** 

New Leroy Merlin store including demanding works for the undisturbed cutting of reinforced concrete, structural strengthening works, as well as partial demolition of an existing building.

**LEROY MERLIN** 

A project which was completed successfully within schedule according to the specifications and requirements of DHL at Athens International Airport.

DHL

A project that required the implementation of a radiation protection study.

## SPASTICS SOCIETY ATHENS Ariadni

The Supported Living Shelter "Ariadne" is a building with special requirements that accommodates 9 children suffering from cerebral palsy. The construction of this important project began under the unprecedented conditions created by the coronavirus pandemic and it was successfully completed within a year.

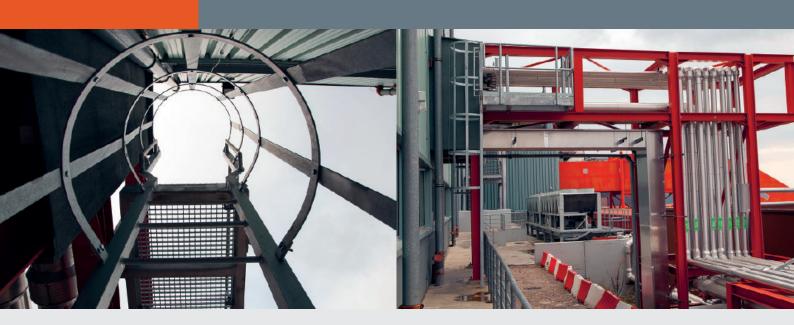

## PAPASTRATOS PHILIP MORRIS INTERNATIONAL

Project of demanding requirements and high specifications in terms of equipment application and implementation as well as in terms of staff safety and health.

PAPASTRATOS PHILIP MORRIS INTERNATIONAL

It required specialization and coordination of the architectural design and electromechanical installation.

NEFROIATRIKI N.Ionia

Renovation of a five-storey building with basement, mezzanine and roof that contains a chronic hemodialysis unit.

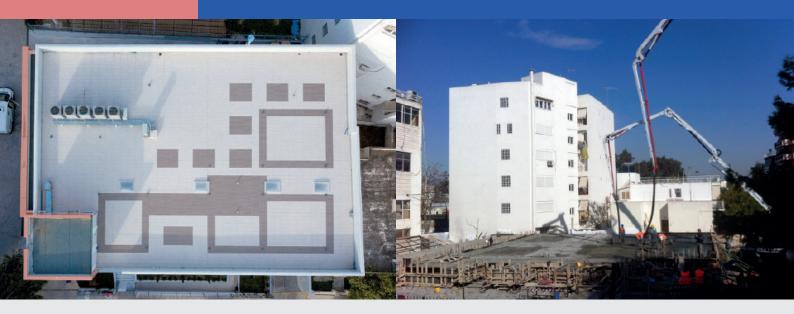

# PIREAUS PHARMACEUTICAL ASSOCIATION (PEIFASYN)

Successfully implemented design & construction project.

# PIREAUS PHARMACEUTICAL ASSOCIATION (PEIFASYN)

## **PIRAEUS BANK - HOTEL IN KASTRI**

Demolition, strengthening and interior, architectural, electromechanical works and landscaping works of the exterior, at the Vocational Training Centres of the bank to become a brand new 5-star hotel. A project which was completed successfully and with no delays during the period of Greek capital controls.

PIRAEUS BANK - HOTEL IN KASTRI

## VENETIS AVEET Attiki Square

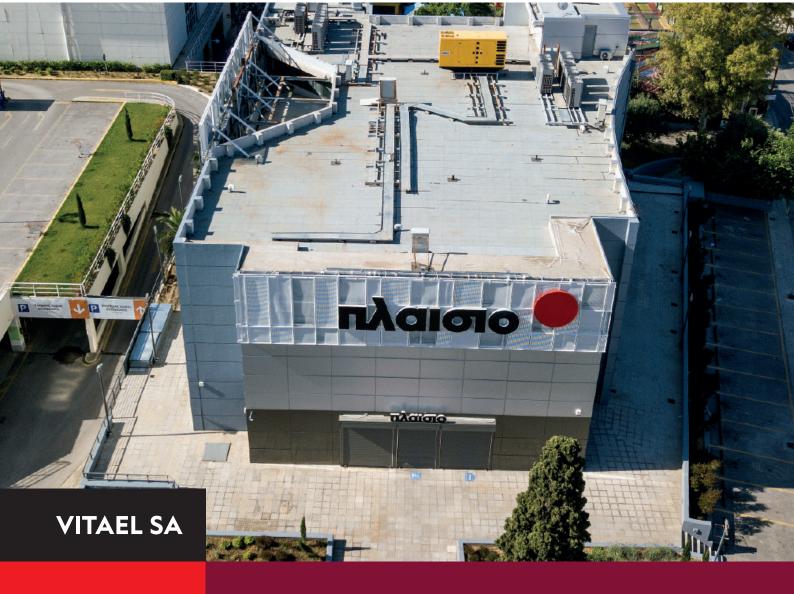

Construction of a food hall with specific demands in terms of architectural and electromechanical installations and constructions.

**VENETIS AVEET Bageion** 

Reconstruction of the ground floor space, with attic and basement, of the neoclassical listed 130-year-old building in order to preserve and enhance its former glory. The renovation includes the restoration of the architectural character of the building with the simultaneous modernization of its E/M facilities and infrastructure.

PLAISIO COMPUTERS

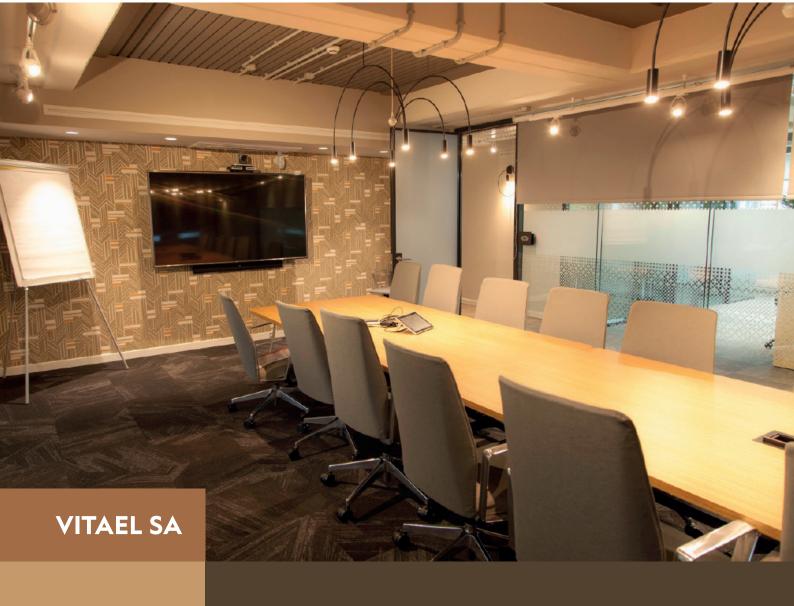

A project that required speed of implementation.

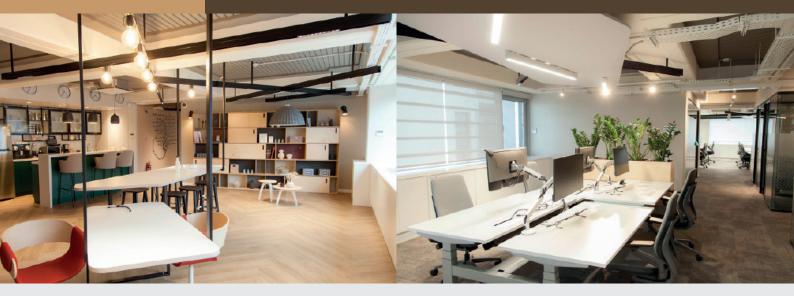

## HERON THERMOELECTRIC S.A.

First-pilot store of Heron with elegant architectural and electromechanical implementation.

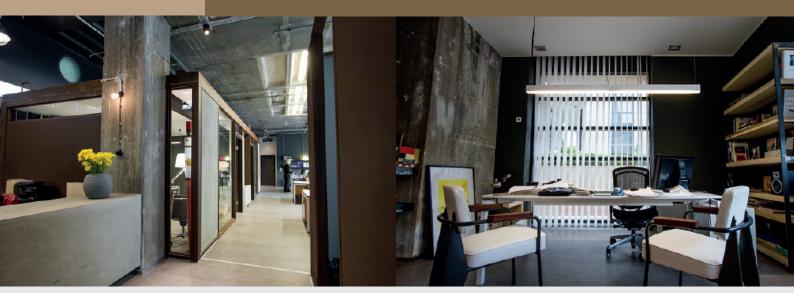

2018 AMGEN

Construction of 5<sup>th</sup> floor office spaces and exterior porch, with particular architectural and construction details and requirements.

TRIBE GREY S.A.

Intriguing Industrial interior design implementation works (complete renovation) of the headquarters of an advertising agency.

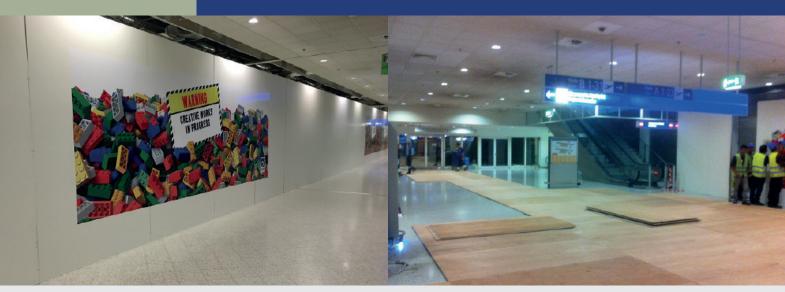

A project which was completed successfully in accordance with the specifications of Athens International Airport.

# ATHENS INTERNATIONAL AIRPORT (AIA)

A project which was completed successfully in accordance with the specifications and strict security measures of Athens International Airport.

## INTERAMERICAN-MEDIFIRST Peristeri

The 3rd Medifirst diagnostic center of Interamerican group that we have successfully completed. Our team of engineers worked with consistency and successfully implemented the interior layout, the modification of the building's facades and the interventions in the existing load-bearing structure. Modern EM systems of air conditioning, lighting, data, fire detection and alarm-surveillance cameras complete the image of a modern diagnostic center.

# 2017 INTERAMERICAN-MEDIFIRST Amarousio

Medical diagnostic center with construction of special areas (magnetic resonance imaging - MRI, radiology etc.).

2015 INTERAMERICAN-MEDIFIRST Argyroupolis

Medical diagnostic center with the construction of special areas, such as radiology, mammography, microbiology. A project completed successfully during the period of Greek capital controls.

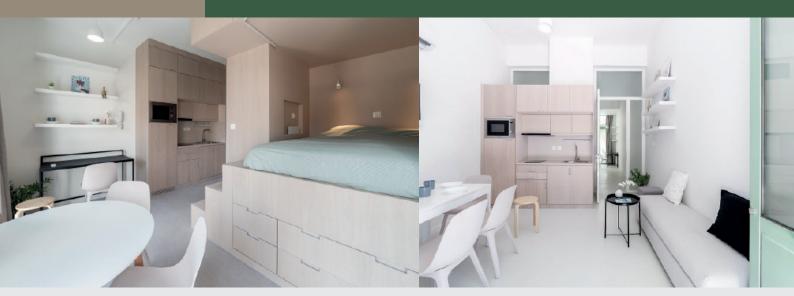

2015 TASTY FOODS

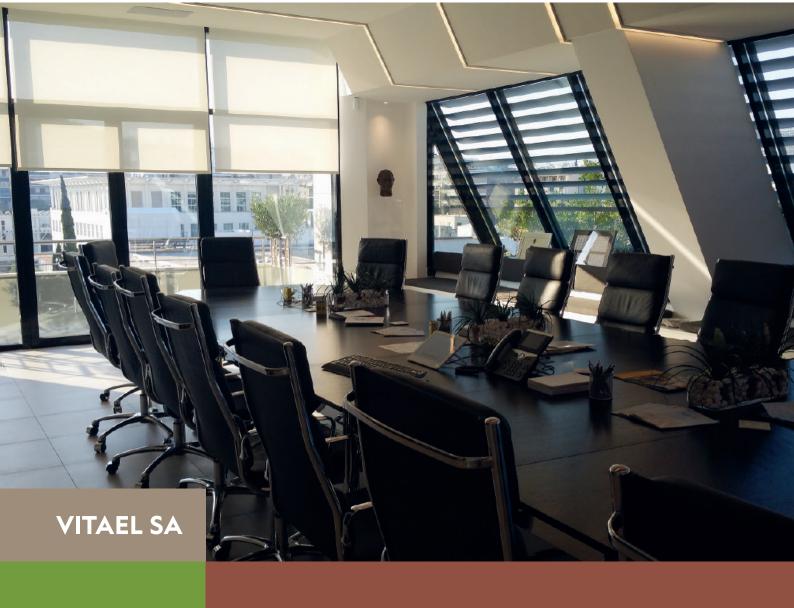

A project involving extra safety and hygienic measures for the structural strengthening of the roof in food production areas, following rolling shifts during non-working hours.

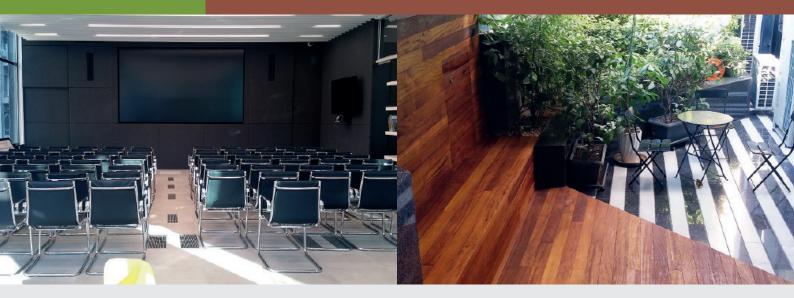

2019 ZOIA

Construction of apartment building with specific demands in terms of architectural and electromechanical installations and constructions.

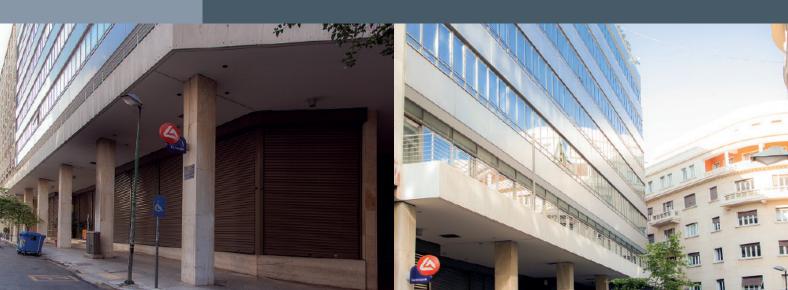

## STAVROS NIARCHOS FOUNDATION

Construction of the headquarters office spaces with particular architectural and construction details and requirements.

Full renovation of cold and hot shell in the main premises of the building to host critical operations of EFG Eurobank.

## **INTERAMERICAN**

Full interior renovation of the 6-storey headquarters building of Interamerican S.A.
